

# Luma's Observation

With more workplaces going virtual, it is important to continue to connect with each other throughout the day.

## Alone at home

## Connected virtually

# Lumafy Tip 34

Create virtual coffee break rooms to connect learners. Give different employees opportunities to lead and be recognized.

## Synchronous (real time) Virtual Coffee Break Room

## Synchronous (real time) Lunch and Learn Room

## Asynchronous (not real time) Texting Room
