

# Luma's Observation

Whiteboards in synchronous virtual meetings are often used to mark up materials.

Common use of whiteboards:  
marking up a document

# Lumafy Tip 46

Use a whiteboard in a synchronous virtual meeting as a Tic-Tac-Toe Challenge Board.

Flip the experience into a game where teams answer questions and earn the chance to put an X or an O in the whiteboard. Use breakout group areas for collaborating on the solutions.
