

Luma Connections #18: Show and Tell

Teaching Tool: Discussion Board

This is an online tool that allows learners to interact with each other to explore a topic and to discuss key concepts and concepts, share experiences, interact with each other, and to ask questions. Interactions are not in real-time and can be mentor-learner and learner-to-learner.

Tip: Show and Tell

Each week so much happens in a person's life. To stay connected, you can set up a discussion where learners share their worlds and interests.

Choose an item that represents the best part of your week. It could be a person, place, or thing. Explain why you choose that item.
