

# Luma Connection #48: National/World Holiday Engagement

## Teaching Tool: LumaLive®

This is Luma's synchronous or same time meeting tool. This online tool allows learners to interact with each other to explore a topic and to discuss key concepts, share experiences, interact with each other, and to ask questions in real time. Interactions are in real-time and can be mentor-learner, learner-to-content, learner-to-self, and learner-to-learner.

## Tip: National/World Holidays Engagement

Starting a lesson with a National/World Holiday can be a way to get a learners' attention and engage them into a discussion. In other words, start when something authentic and meaningful and then follow up with a discussion that is aligned to your learning objectives.

### To conduct a National/World Holiday discussion:

1. Pick a daily national/world holiday to discuss. Visit National Today ([nationaltoday.com](http://nationaltoday.com)) for a comprehensive list of holidays.
2. Introduce the holiday either with a "Did you know?" question or as a fun fact.
3. Pose an open-ended question related to the day.

Check out our National/World Holiday Today discussions on our discussion board under the What's New section for ideas and to join the conversation! Visit [enuggetlearning.com/whatsnew](http://enuggetlearning.com/whatsnew).
